

Board Orders Ordinance To Regulate Solicitors

The Village of Antioch Board Tuesday night ordered an ordinance drawn that would regulate solicitors seeking donations or contributions.

The ordinance would be in addition to the present one that governs salesmen, peddlers and others engaged in trade.

Request for the ordinance was made by the Antioch Chamber of Commerce which was concerned with the number of charitable and out-of-town groups that hit Antioch annually.

Trustee Richard H. Radke pointed out to fellow board members that the purpose of the ordinance was not to stop soliciting, but merely to control it.

Radke, chairman of the license committee read a model ordinance that had been adopted by Crystal Lake, which covers contributions and donations soliciting.

Village Attorney Edward C. Jacobs told Radke that the pres-

ent ordinance suffices for every one "except what you are talking about."

Jacobs pointed out that a new ordinance was needed so that the present ordinance would not be jeopardized.

"It would be better to have a separate ordinance to cover this matter," Jacobs said, "rather than run the risk of making this present ordinance illegal."

He added that the new ordinance should be very carefully worded in its definition of solicitor.

It was pointed out by Radke that a time lag between the request and the issuance of a permit to solicit should be incorporated so as to give the Chamber time to evaluate the request.

Jacobs made it clear that the Chamber could not be named in the ordinance because "you are the village government and you are the one to issue or not issue a permit."

Jacobs said he would like time to research the law—in regards to religious groups for example—because there are many laws governing these groups that we don't even know about.

SIDEWALK BIDS

In other action the village board decided to advertise for bids on future sidewalk construction to complete the program started in the past.

Bids on the sidewalk work will be returnable on April 16.

PROHIBIT BURNING

The board is also considering an ordinance to prohibit burning of rubbish in the village.

Mayor Raymond Toft reported that from March 1 through 19 there have been 59 fires in the Antioch fire district with 14 of them occurring in the village.

Toft said that 55 of the fires in the period were grass fires and that 90 per cent of them were caused by carelessness.

"It has cost the village \$600,"

Toft said, "and that puts us in the red. It has cost the district \$2,000 and that puts them very close to being in the red."

"I think that it would be a good idea to get an ordinance that prohibits burning of anything," Toft said if the fires were traced back you would find that they

Area 8th Graders To Register At A.C.H.S.

Area 8th grade students are already preparing for their freshman year at Antioch Community High School.

Earlier this year, the students were given Educational Ability Tests in preparation for their high school programs.

During the past few weeks, parents have been receiving letters and registration information from the high school.

Parents will accompany their children to the high school for registration, scheduled on the nights of March 27, 28, 29, and April 2.

In order to accommodate the increasing enrollment and mini-

It was a great day in Antioch when the community was lauded for its "Project Vietnam" and several individuals received special mementoes. Presenting the mementoes was 12th District Congressman Robert McClory, second from left. Recipients included Ray Nordling, Vietnam veteran and an employee of The Antioch News; left, and Harry Brehen, far right, originator of the "Project Vietnam" idea. Antioch Township Supervisor Lloyd E. (Red) Murrie, chairman of the Lake County Board of Supervisors, second from right, accepted the award given to Antioch Postmaster Joseph Wolf who was unable to be present.

700 People Join In Honoring Fr. Savage

Local friends, associates and people from all over the United States and Canada jammed St. Peter's Church last Sunday to honor Father Joseph Savage for his 50 years in the priesthood. It was estimated that over 700 people attended the mass and reception.

The program opened with "Tattoo Militaire," which is a Canadian ceremony and honored Father Savage's father who fought in the Civil War. It included a procession led by the 4th degree Knights of Columbus in full dress regalia, the Antioch American Legion and the Veterans of Foreign Wars. John Horan gave the commentary on "Tattoo Militaire".

Priests, including Father Savage, Father Alfred Henderson and Rev. John Coleman, and Altar Boys followed "Tattoo Militaire". A Marine bugler from Great Lakes played reveille.

Solemn high mass was held and the sermon was given by Fr. Lambert Studzinski from Fargo, North Dakota. Music was provided by the Franciscan Clerics and St. Peter's Choir.

After the benediction, a short program and refreshments followed in the Social Center. Dr. E. Abderholden was Master of Ceremonies, and Grace before eating was given by the Reverend Theodore Bessette of St. Ignatius Episcopal Church.

"Minute Men" (Mayor Raymond Toft, Dr. A. N. Berke, Dr. W. C. Petty, William Broek, Morris Pickus, Edward Jacobs and 11 priests) paid tribute to Father Savage.

Some of the out of town friends who came to the celebration were Rev. Edmond Hood, former pastor of St. Ignatius Episcopal Church, now of Oak Lawn; Fr. Lambert Studzinski from Fargo, N. D.; Fr. James Madden of El Paso, Texas; Monsignor Flaherty and Monsignor J. McGowan of Chicago, and friends from Quebec, Toronto, and Belleplaine, Minnesota.

Refreshments included punch, sandwiches, potato salad, cake and coffee and were served by St. Peter's Altar and Rosary Society.

Father Savage is the first priest to come out of Antioch. Number 2 will be Gerald Horton, son of Mr. and Mrs. Raymond Horton of North Avenue, Antioch, who will be ordained this coming May.

Antioch Restaurant Has New Owners

As of Monday morning, the Chatterbox Restaurant has new owners. They are Souleman Mussa and Vasil Muedini, who formerly operated the Olympia Restaurant in Mundelein.

Plans are for a remodeling job which will include new lights, a circular counter and a salad bar.

The menu will be a large and diversified one with 3 specials each week.

Opening time is tentatively set for the first of April and the restaurant will be open from 6 a.m. to 11 p.m. seven days a week.

Rescue Squad Calls

Nelson E. Sibley was taken to Victory Memorial Hospital on March 12 by the Antioch Rescue Squad suffering an apparent coronary. He is still a patient at Victory Memorial.

Harold Nelson was taken to St. Therese Hospital on March 18 and Roy Ring of Indian Point was taken to Victory Memorial on March 17.

Walter Windorff Spends 17 Months In Vietnam

Sp/4 Walter Windorff wrote the following letter from Quang Tri, South Vietnam on Feb. 24 to Project Vietnam:

"I wish to say that I appreciate your thoughtfulness and I want to thank you for what you have done for all of us. It really warms our hearts to know that there are such good people in this world we live in."

"I'm in the 1st Cavalry Division and work for the ammunition officer. I issue the ammo for the

men that are out on a small landing zone.

"This is my second extension in Vietnam. I plan to go the limit of four years. So far, I have spent just about 17 months here and have just extended another six months. I feel I just haven't done enough for our country."

"I again want to thank all you kind people for what you have done for us over here. God bless you all, and take care always."

AGS Teacher Salary Scale \$6300 - \$11,316

A new salary schedule was adopted by the Antioch Grade School Board at its meeting Tuesday night. The 1968-69 salary schedule for a teacher with a B. A. degree would be \$6300-\$8222—the top figure arrived at in 14 steps.

A B.A. plus 15 semester hours

would start at \$6500 and go to \$10,400 in 15 steps.

An M.A. degree would start at \$6900 and go to \$11,316 in 16 steps.

AGS PURCHASES LAND FOR EXPANSION

Antioch Grade School District has purchased a tract of land near Lorenz's Smart Country House where they hope to locate structures to accommodate the overflow in the future. This property will be used for expansion purposes. Ted Larson, School Board Attorney, presented signed papers for the purchase of this land and the transaction is in the process of being closed.

NEW NIGHT JANITOR HIRED

Authorization was also made to hire Ken Parsons as night janitor—work and hours to be determined at a later date.

The school board adopted a policy for paying insurance premiums not to exceed \$100 per contract year on the school's medical insurance.

BOARD VOTES TWO SNOW DAYS

The board also voted to put in two snow days for Easter vacation. School will be dismissed at the end of the school day Tuesday, April 9, and reopen Tuesday, April 16.

The board also voted to notify Special Education of Lake County that this district is not in favor of Social Worker service.

The board secretary was authorized to attend to the details for the coming election April 13.

Norman Jede, auditor, was present and made his financial report indicating finances in good condition. The balance April 1st will be \$48,068.

Antioch Band Wins Superior Rating

The Illinois High School Association state band and choir contest was held at Antioch Saturday, March 16. Fifteen schools were represented. The bands and choirs played for four judges and each was given a rating of Superior, Excellent, Good, Fair, or Poor.

Band judges were Ernest Canavea, Myron Russell, Douglas Stensland and Guy Foreman.

Bands winning a superior rating were: Antioch, Warren Township, Harlem of Rockford, Lake Zurich, Rockton, Round Lake and Zion-Benton.

Harvard, McHenry, Mundelein and Woodstock earned Excellent ratings.

Choir judges were John Windham, Paul Allen, Robert Guenzler and Leslie Gilkey.

Choirs winning a Superior rating were: Warren Township and Mundelein. Excellent ratings were awarded to Antioch, Harvard, Lake Zurich, McHenry, and Woodstock. Grayslake received a Good rating.

The contest was well attended and nearly 2000 students were involved in the contest.

April 20th the IHSA State Solo and Ensemble Contest will be held at Antioch Community High School.

Dance Mar. 30 At ACHS Gym

Antioch High School Student Council announces that a spring dance featuring "The Outspoken Blues", will take place Saturday, March 30 from 8:00 to 11:00 p.m. in the Antioch High School gym.

The dance is for Antioch High School students only, but guest passes are available. Tickets are \$1.50.

Dress will be according to the Antioch High School Grooming Code, with the addition that girls may wear slacks, but boys may NOT wear blue jeans.

59 Fires Reported By F.D. In March

Antioch Fire Chief Todd Maples reports that the Antioch Fire Department has answered 59 fire calls since the first of the month.

Over a dozen grass fires were reported this past week. A fire of undetermined origin, at the Four Aces on Rte. 173 west of Antioch last Tuesday caused several thousand dollars worth of damage.

The grass fires for the most part, result from careless trash burning, and Chief Maples urges caution on the part of all!

Two Cars Reported Sunk In Channel

A Volkswagen and another car have been reported sunk in the channel connecting Fox Lake and Petite Lake.

The State Division of Waterways is in charge of maintaining the channels, but not having an office in the area, the Sheriff's Department in Waukegan along with Mr. Joseph Cannon of the Building and Zoning Department are trying to do something about these cars.

\$2.6 Million Bond Issue To Voters

Antioch Community High School District residents will troop to the polls Saturday to vote on a \$2.6 million bond issue for a building program.

Polls will be open from 12 noon to 7 p.m. at three polling places: Pct. 1, Antioch Community High School; Pct. 2, Lake Villa Grade School; Pct. 3, B. J. Hooper Grade School.

A person who is a citizen of the United States, 21 years or over and having resided in the state for one year, the county for 90 days and the school district for 30 days immediately preceding the election is eligible to vote.

The proposition facing the voters is whether to build and equip a new addition and remodel areas of 1915, 1927, and 1932 present high school building.

According to board officials the improvements are needed to maintain a high quality educational program for students.

The bond issue will provide 18 additional classrooms in addition to the remodeling of what has been termed outmoded facilities.

'Project Vietnam' Draws Plaudits From McClory

Three Antioch residents were honored Friday for their active participation in Project Vietnam. They included Harry Brehen, originator of the project, Postmaster Joseph Wolf, and Ray Nordling of The Antioch News.

Conferring the accolade was 12th District Congressman Robert McClory, who made a special trip to The Antioch News for the award presentation.

McClory presented a memento to all three men in the form of a reprint from the Feb. 28 Congressional Record which congratulated Antioch for its participation in Project Vietnam.

In the background of the picture was the Capitol Building.

Nordling, an employee of The Antioch News and a Vietnam veteran, also had a letter written from Vietnam in the Congressional record.

The pictures were personally autographed by McClory, who made the Congressional Record report.

Brehen accepted the reproduction for Wolf who although absent sent the following letter to McClory:

"I have been summoned to attend a conference of postmasters by Regional Director of Post Offices, Donald L. Swanson.

"I deeply regret the need to be away at this time and I hope that you will understand."

"It has been my desire to be with you and to thank you personally for the kindness you have shown 'Project Vietnam' and for the great honor you have bestowed upon postoffice personnel and the entire populace of Antioch for their efforts through this project."

"I know that you share with me a great pride in the people of Antioch who are showing the world that patriotism is very much alive and that we care enough for our men in the Armed

Forces to tell them we are proud of the job they are doing and to wish them well and to take care and return safely home to us."

In presenting the mementoes to the three, McClory also lauded the participation in the project by all of the citizens of Antioch.

"This has been a job well done," McClory said. "Without the cooperation of the entire community it could not have been a success."

Participating in the program with McClory was Lloyd E. (Red) Murrie, Antioch Township Supervisor and Chairman of the Lake County Board of Supervisors.

One More Teacher Needed At Emmons

No architect or contractors appeared at the March 12 board meeting of Emmons Grade School, but the board had a discussion on what had to be done to complete the contract on the new addition to the school.

The board had a discussion regarding starting a kindergarten class at the school next fall, and serious consideration is being given to the matter.

Two teachers' contracts were approved and signed. They are Mr. George Sinclair, Grade 6 and Mrs. George Sinclair, Grade 5. There is only one opening at the present time for the coming school year of 1968-69.

The board also authorized April 15 and May 31 as special school holidays to coincide with neighboring elementary and high school calendars.

Pollution Bond Issue Backers Answer C. of C.

The need for a total action program aimed at developing Illinois' water and recreational resources and for providing safeguards against air and water pollution was reasserted today by the Illinoisans for Pure Air and Water.

A statement, issued by the co-chairmen of the committee, emphasized that development of flood control facilities, proper management of water supplies, and creation of outdoor recreational areas for people of Illinois have been too long delayed through indecision and indifference.

The statement was made by Maynard P. Venema and William L. Rutherford, co-chairmen of the Illinoisans for Pure Air and Water. The citizens committee was organized to inform the public of the \$1 billion water, air and recreation bond issue to be voted upon on Nov. 5, 1968. The statement answered criticisms of the bond referendum raised by the Illinois State Chamber of Commerce.

Though the co-chairmen agreed with the State Chamber that water and air pollution control are critical domestic problems, they could not agree that flood control, outdoor recreation, and

water management and supply, "are low-priority projects that could not be undertaken at this time."

The Chairmen declared:

"The people of Illinois should not continue to suffer \$30 million in flood damage each year nor should they be without adequate and easily accessible outdoor recreation areas, when these problems can be alleviated through multi-purpose management of our natural resources. The need for the projects which will result from passage of the bond issue is indeed as clear and dire as the need for pollution control. In addition, the cost of needed projects, many already at the critical stage, will increase as the years go on. The burden of additional costs is unnecessary when we recognize at this moment that time is not in our favor. The time for action is now!"

Another aspect of the referendum which the Chamber opposed was the seemingly absolute power of the Pure Water Board in the expenditures of the bond issue proceeds. The Chairmen pointed

out that authority to spend the bond issue proceeds rests solely with the State Legislature.

The Chairmen also noted the Chamber's objection to loan guarantees provided for private industry. They cited the fact that legislation was introduced in the General Assembly session on March 4, 1968 to eliminate such guarantees.

Finally, they explained that introduction of additional bills submitted in the recent one-day session are aimed at correcting technical defects regarding "housekeeping" procedures in the referendum. For example, one such bill raises the interest rate limit on the bonds from four to five per cent.

In issuing the statement, the Chairmen recognized that the Chamber's concern stems from their desire to obtain the best possible bond issue and said, "We feel we have adequately answered the Chamber's objections. We believe we can now unite and jointly ask the people of our state to pass this needed and urgent referendum."

Amundsen Replaces Babb At Illinois Bell

Don Amundsen is the new Antioch and Round Lake Business office manager for Illinois Bell Telephone Co. replacing Jerry Babb who has been transferred to the Arlington Heights office.

Amundsen, a native Chicagoan, attended Illinois Institute of Technology and resides at the present time in Mt. Prospect with his wife, Geraldine, and three children, Glen 13, Susan, 8 and Carl 3.

He was formerly assistant manager of the Arlington Heights office.

Alcoholics Anonymous Open Meeting Mar. 29

The Alcoholics Anonymous group serving the Chain O' Lakes Region will hold an open meeting on Friday, March 29, at St. Peter's Church at 8:30 p.m. Speakers for the evening will be Louie M. and Friend from 12-Step House, Milwaukee. Refreshments will be served.

Alcoholics Anonymous is a fellowship of men and women who share their experiences, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

There are no dues or fees for A.A. membership; it is self-supporting through their own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Their primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Their prayer: "God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference."

EDITORIAL Smut Is Big Business

Pornographic literature and degenerate sex pictures have become big business in America today.

Greedy smut merchants who publish and sell this material net millions of dollars each year.

According to J. Edgar Hoover, director of the Federal Bureau of Investigation, sexual violence is increasing at an alarming rate.

While there is no official yardstick with which to measure accurately the reasons for increases in criminal violation, pornography, in all its forms, is one major cause of sex crimes, sexual aberrations and perversions, Mr. Hoover says.

Lewd and obscene material plays a motivating role in sexual violence and in case after case, the sex criminal has on his person or in his possession pornographic literature of some form.

Mr. Hoover advocates that the spotlight be turned on these violations and we concur wholeheartedly.

The public has a vital role in upgrading the level of community morality and when obscene material is discovered it should be exposed and brought to the attention of authorities.

The mails are one of the outlets used by these merchants and when the obscene material is received it should be reported to postal authorities for action.

Cooperation is needed on all fronts to combat this menace that eats away at a community's moral fibre.

A Deserved Tribute

It isn't often that a man is around long enough to hear himself lauded.

Usually he is long departed and the accolades come because someone wanted to do something.

This is not the case for Father Joseph Savage who celebrated 50 years in the priesthood last Sunday at St. Peter's Church.

More than 700 persons filled the church and took part in the reception afterward for this man of God.

Priests, civic leaders, and just plain folks were there to wish Father Savage another 50 years of dedicated service.

And the folks were not confined to the Antioch area.

They came from all over the United States to do honor to a man who was the first priest to come out of Antioch.

We join in the accolades.
We wish this great man well.

Courthouse Notebook

By Lou Durkin

Weekend political developments which saw the withdrawal of State Senator Arthur Gottschalk from the Illinois gubernatorial race and the announcement by U. S. Senator Robert Kennedy that he would seek to unseat President Johnson brought cheer to the Republican ranks.

Sen. Gottschalk's withdrawal eliminates one divisive element in the GOP picture and gives Republicans some hope that the primary campaign won't leave too many bruises and wounds.

Forces backing Peoria businessman John Henry Altorfer were particularly gratified by the Gottschalk decision, especially since he has announced he will back the Downstater against Cook County Board President Richard Ogilvie.

Ogilvie supporters were whistling past the graveyard when they insisted they were unconcerned about Gottschalk's preference for Altorfer because they must know that Ogilvie has been hurt by the endorsement.

The Gottschalk move is more difficult to assess when it comes to its effect on the chances of former Gov. William G. Stratton.

The former chief executive was ignored by many of the television personalities in their commenting on the Gottschalk withdrawal, but it would seem logical to suppose that at least some of the Senator's support would find its way into Stratton's camp and thus further his cause.

While the GOP was busy with its gubernatorial realignment there was still time to cheer the entry of Bobby Kennedy into the Presidential picture.

The New York emigrant is certain to provide Republican forces with plenty of ammunition to be used against LBJ in the still likely event President Johnson is able to control the convention and walk off with the nomination.

Sen. Kennedy may well become the Democrat most quoted by the Republicans before the general election campaign runs its course.

Meanwhile back in the county the primary drags along at a snail's pace because of the dearth of contests for county office nomination.

The only contest is in the race for State's Attorney where First Asst. Jack Hoogasian would seem to have the inside track in a four way race.

The veteran prosecutor's principal opposition could well come from Atty. Paul Hamer who represented the Association of Collective Taxpayers in their lengthy battle with the county and Lake County Building Commission over the new courthouse.

The ACT probably looks upon Hoogasian as a member of the county political "Establishment" and will unite behind Hamer as a means of "throwing the rascals out."

If nothing else the campaign should give a fairly accurate

Your Congressman Reports....

By Cong. Robert McClary

The Congress of the United States is about to establish a new tier in the Federal District Courts. The legislation embodying this new program, entitled the Federal Magistrates Act of 1968, will establish a system of U. S. Magistrates appointed by the District Judges and authorized to adjust various minor civil and criminal cases.

This new addition represents a reform of the Federal Court System, analogous to that previously adopted in the State Courts of Illinois and elsewhere. If favorably acted upon, the program will witness the abolition of the U. S. Commissioners, just as Illinois has experienced the elimination of Justices of the Peace.

The present jurisdiction of U. S. Commissioners is quite perfunctory having been limited mainly to various administrative and nonjudicial functions, such as approving bail bonds and conducting preliminary hearings. The new U. S. Magistrates would have full trial jurisdiction over misdemeanors, and would handle pretrial and discovery proceedings, as well as other judicial duties assigned to them by the U. S. District Courts.

The office of U. S. Commissioners has tended to be a political sinecure and many Commissioners are without legal training or experience. When the new law becomes effective, more than 700 U. S. Commissioners will cease their duties. The newly appointed Magistrates will be required to be lawyers although a few non-lawyer Commissioners may be retained in the new system of Magistrates.

The number and location of Magistrates will be determined by the Judicial Conferences of the United States, a body composed of members of the Federal Judiciary. It is expected that under the new system approximately 50 full-time and 150 part-time Magistrates will be able to meet the current demand for service. Salaries, office and court-room space, secretarial service, and other accoutrements of the Magistrate will be provided by Federal appropriations. These allowances are expected to be adequate to attract talented personnel qualified to perform the judicial functions of the new Magistrates.

Prominent among the many reasons why the Federal Magistrates Act of 1968 should be enacted are these: (1) The archaic system of U. S. Commissioners was created when our nation was primarily a rural one, and (2) the Magistrates should be able to help reduce the staggering backlog of civic and criminal cases. This has accumulated as a result in large part of the detailed functions which Federal District Courts are presently required to perform.

The proposed system of Federal Magistrates appears to be a long stride forward in the modernization of the U. S. Courts and promises to accelerate the administration of justice in our Nation's Federal District Courts.

rundown on the numerical strength of the ACT.

There was some unhappiness among supporters of last week's Waukegan High School tax referendum because of the announcement that a Mental Health tax proposition would be placed on the June 11 ballot.

The high school backers feel, and probably with justification, that the possibility of still another new tax caused school district residents to throw up their hands in despair.

The county board can hardly be blamed for approving the request of the Mental Health Association, but the timing was unfortunate from the high school's viewpoint.

Indian Plant Tour At Field Museum

Starting in April, the Field Museum of Natural History will take youngsters on a self guided tour of the museum's botany areas to learn the secrets of plants that Indians used. To participate, children pick up free information guide sheets upon entering the museum, and follow the charted course, answering questions asked in the guide as they go. This Spring Journey will continue through May.

During April, the Museum will be open from 9 a.m. to 5 p.m. daily. Admission is free on Thursdays and weekends. Other days, adults pay 25 cents. Children, students and teachers are always admitted free.

Milwaukee Railroad Ups Commuter Fares

The Milwaukee Road has announced that it will file proposed increases in its Chicago suburban passenger fares with the Illinois Commerce Commission, to become effective May 1.

The railroad cited as the reason for its action the steadily mounting cost of operation and the need to prevent a further increase in the deficit incurred by the operation of the service.

The proposed rate adjustment provides, basically, for an increase of 5 per cent in one-way fares between Chicago and stations beyond 25 miles on both the north and west suburban lines, and for a 10 per cent increase between Chicago and closer-in points. Minimum fares between Chicago and nearby stations will be increased from 55 cents to 70 cents and those between intermediate stations from 35 cents to 40 cents.

The following indicates the range of increases proposed:

On a monthly ticket the increase per ride, based on 44 rides, will range from 4 cents to 6.9 cents, depending on the station.

On a semi-monthly ticket the increase per ride, based on 22 rides, will range from 4.3 cents to 7.7 cents.

On a weekly ticket the increase, based on 10 rides, will be a maximum of 95 cents per week.

On the ten and twenty-five ride tickets the increased will range from 5 cents to 15 cents per ride. The Milwaukee Road provides suburban passenger service on

Call Antioch Police If You Sight A Tornado

Edward J. Frazier, Civil Defense Director for the Village of Antioch warns that the Tornado season is here again.

The Antioch Police Department under the supervision of Police Chief Jack Davis, will be the watchdog for local tornadoes if sighted. The Police Department will control the Warning Systems. Antioch has three DARNING Systems: The Civil Defense Siren, Antioch Cruising Police cars (loud speakers and sirens) and Radio Station WKRS.

If a tornado is sighted in this

area, call Antioch Police 395-2131.

Recommended precautions before a tornado strikes are: Have a transistor radio handy. Go to the corner away from the tornado or to the center of the building.

Persons may use these locations for tornado shelters: Antioch Packing House; Fire Station; Teresi's Chevrolet Sales; Moose Lodge; First National Bank; Gibbs & Jensen's; Antioch Savings & Loan; State Bank of Antioch.

These locations can be used for protection from tornadoes, but not for nuclear attack. The Antioch Community High School and Illinois Bell Telephone Co. are equipped in the event of a nuclear attack. More locations are being processed, but are waiting for approval of the Army Engineers for fallout shelters.

Tornadoes can occur any place in the United States at any time of the year. They happen most frequently, however, in the mid-western, southern and central states from March through September.

The average number of days with tornadoes per year, based on records of recent years, ranged from 41 in Texas to less than one

per year in states of the Northeast and Far West.

A tornado can be recognized usually by a funnel-shaped cloud, spinning rapidly, and extending toward the earth from the base of a thundercloud. When close by it sounds like the roar of hundreds of airplanes.

"Ideal" tornado weather is a hot, sticky day with southerly winds and a threatening, ominous sky. Familiar thunderstorm clouds are present. An hour or two before a tornado, topsy-turvy clouds appear, sometimes bulging down instead of up. The clouds often have a greenish-black color.

Rain, frequently hail, precedes the tornado with a heavy downpour after it has passed. Tornadoes have occurred at all hours, but seem to prefer the hours between 3 and 7 p.m.

Tornadoes usually move from a westerly direction, usually from the southwest at speeds from 25 to 40 miles per hour. Average wind speed is estimated at more than 300 miles per hour within the tornado and the length of path is usually 10 to 40 miles (the average length is 13 miles) but they may move forward for 300 miles. The average width of path is about 250 yards, but they have cut swaths over a mile in width.

started first by someone burning garbage or trash.
"We have had this tremendous amount of fires," he said, "and we haven't even approached the grass fire season yet."
Board members agreed that there is a need for an ordinance to force those who want to burn trash to get a permit.
There is nothing in the present ordinance that regulates the burning of trash, but it was discovered by a perusal of the ordinance.
Jacobs suggested that before the village board ordered an ordinance drawn that the township files be checked to see if the village was possibly covered under that governmental body's ordinances.

Area 8th Graders To Register At A.C.H.S.

(Continued from page one)
mize reputation a new format is being inaugurated this year in the nature of a general orientation session. During the general session, and with the use of an overhead projector, a detailed analysis of the placement test used will be made so that each family may understand the profile to be received upon entering Room 212. The why's and whereof's of class placement will be discussed also. Prepared schedules will be available which parents will complete simply by entering the one elective allowed. Instructions toward this end have been forwarded to each family.
The high school staff in attendance will include counselors, coaches, and choir and band directors, and the school nurse, assisted by the secretarial staff. Upon completion of the general session parents and students will proceed to the library to consult with the staff personnel. Refreshments will be served.
During these registration nights, parents will be given profiles to the Educational Ability Tests and be aided in selecting the students' courses for the coming year.
The evening should prove valuable in acquainting parents and students with the high school and its programs.

The perplexing problem is how to live together peacefully, and we fear it will never be solved.

Total Snow This Season: 27.9"

Remarks: Well I guess "Spring has Sprung". I sure hope so. On 3-27-45 we had 80°F which has stood for 25 years and on 3-1-62 we had a low of -15°F for the same period. We ended 74 consecutive days with 2" or more of snow on the ground at Antioch and on 3-22-62 ended 104 days of 1" or more days of snow.

Average precipitation for March is 2.96", but the first 5 days it was 1.0", the next week it was 3.5", and this past week it was 4.15". The rain Monday and Tuesday will sure help to turn the grass green and make the Tulips pop out.

The geese have been going north most of the month, the blackbirds and Robins are back and if this weather keeps up the Purple Martin scouts will be showing up soon. Last year the scouts were here on April 5th. But the weather got cold and wet and drove them back south. I sure hope that doesn't happen this year. I did find one thing I have been doing wrong. I have been opening the house when the scouts get here and by the time the year old birds and adult females arrive I have one heck of a time keeping the Sparrows out. The weekly average has been coming up, but the first 5 days it was 32.5°, the next week it was 33.5°, and this past week it was 41.5°F. The rain Monday and Tuesday will sure help to turn the grass green and make the Tulips pop out.

Harry Stern Gives Spring Bird Report

Word from bird spotter Harry Stern of Indian Point is that the robins were in North Carolina when he and wife Hilda were there recently. The robins were patiently waiting for the snow to disappear so that they could start moving north.
"Hilda saw a robin in our yard Friday morning," Harry reported. "The mourning doves are back and the geese are flying over like mad. When we left Florida, we saw 100,000 purple martins ready for their flight to West Lake County."

Town & Country Art Show Begins Mar. 26

Hundreds of Lake County amateur artists from all areas of the county are eagerly awaiting the 1968 Town and Country Art Show according to Extension Advisers Ray T. Nicholas and Helen Volk. The art show is sponsored by the Lake County Cooperative Extension Service of the University of Illinois and will be held in the Farm Bureau Building on the Lake County Fair Grounds March 26 and 27.

According to present indications there will be entries in all classes including paintings in various media, ceramics, wood carving, sculpturing, metal enameling, weaving, pottery, and other crafts.

There will be two separate divisions in the show: artists of high school age and older, and those below high school. From the high school age and older group, the three judges will select a number of exhibits for the

district show. In 1967 Lake County artists exhibited 566 different items in the show, 172 of these being submitted by the below high school group and 484 by the high school age and older group. The judges awarded 40 blue ribbons to artists whose works were later entered in the district show.

The distinct feature of the Cooperative Extension Service sponsored Town and Country Art Show is the critiques conducted by the jurors. Critiques are scheduled for 2 p.m. and 7:30 p.m. on Tuesday, March 26.

The public is invited to attend the show without charge on Tuesday, March 26, from 1:00 to 10:00 p.m. and on Wednesday, March 27 from 9:00 a.m. to 9:00 p.m.

Amateur artists desiring rules of the show and entry blanks may obtain them by writing Ray T. Nicholas, P. O. Box 267, or Helen Volk, P. O. Box 356, Grayslake, Illinois 60030.

HIA Offers Blue Cross And Blue Shield Enrollment

The Lake County Health Improvement Association and Blue Cross-Blue Shield officers and representatives in a special meeting on March 18 opened a special enrollment in the HIA sponsored Blue Cross Blue Shield hospital and medical-surgical group program.

The current enrollment period will run through March 29, and those persons coming in during this period will be eligible for benefits beginning May 1.

To be eligible to join, applicant

must be under 60, reside in Lake County, and be self employed or work for a firm with less than ten employees. Husband or wife under 60, and all unmarried children under age 19 may be enrolled on the family plan, and all receive the same protection.

Raymond Flood, Libertyville, Lake County HIA president, urges all interested persons to contact Lake County HIA secretary Georgia Herman, P. O. Box 37, Lake Villa, before this enrollment period ends on March 29. The phone number is 350-7087.

Kerner Sets Nurses' Week March 24-30

With the theme "Refresh: A Call to Service," Illinois Nurses' Week has been proclaimed for March 24-30 by Governor Otto Kerner to focus on the "thousands of Illinois nurses not currently in active practice who can return to take part in the challenging new world of nursing."

Through the Illinois Nurses' Association's federally-funded initiative health personnel project, special thrust is aimed at promoting new refresher courses in junior colleges, hospitals, adult divisions of high schools, and health agencies or in expanding existing programs to retrain nurses.

Some 3,000 inactive practicing nurses indicated in a special survey of the Illinois Study Commission on Nursing that they are interested in returning to the profession.

Because most of these nurses are married with children, the INA project's aim is to help provide the short-term courses to update their skills, and also to encourage child care programs, working hours and days which are adjustable to family situations, and satisfactory salary which will adequately compensate the nurse mother for her professional skills as well as for will need to hire someone else to provide for her while she works. In addition to activities and displays which highlight this aspect of the Nurses Week theme, the 20

district associations of INA will remind currently practicing nurses that "refresh" involves continuing education to keep up with changing medical technology and health care through workshops, programs and publications of the INA.

"During this sesquicentennial year of Illinois, the Nurses' Week observance will also review the history of the profession in the state since the turn of the century, and the formation of the state association in 1901.

Ground Broken For Condell Addition

The annual meeting of the Condell Hospital Association will begin at 2 p.m. Sunday at the hospital. Following the meeting, a groundbreaking ceremony will take place which will officially begin the construction of a three-floor addition to the present West Wing of the hospital. The \$1.3 million addition will be three-story and will include 65 medical-surgical beds, a 16 bed pediatric unit and an eight bed intensive care and cardiac care center.

First funds for the hospital came in 1917 when Mrs. Elizabeth Condell left \$20,000 in her will for construction of a hospital in Libertyville.

In the last three years nearly \$1 million was raised for the hospital's development program by contributions from the community, funds from the hospital's operations and a Federal Hill-Burton grant of \$372,610. The hospital has made arrangements whereby it can borrow up to \$1.4 million.

Senator Gottschalk Withdraws From Political Race

State Senator Arthur R. Gottschalk has withdrawn as a candidate for the Republican nomination for governor in favor of John Henry Altier.

Gottschalk said he would take on a "major campaign role" in his backing of the Peoria industrialist.

Gottschalk conceded he could not overcome the "early organizational lead built up by his two major opponents" because of his late entrance into the race.

"My hope had to be in taking my campaign directly to the Republican electorate," Gottschalk said. "But, because of fragmentation of loyalties in a wide-open, many-candidate race, the financial cost of such a campaign would have been extremely high."

Lake Villa Board Rejects Bond Bid

The Lake Villa Grade School board met Tuesday, March 12 and rejected a bid by the Northern Trust and Savings Bank of Chicago to purchase the school bond issue "because the interest rate was too high." The bank offered to buy the bonds at a rate of 5.22908 per cent interest.

Supt. Melvin Colbert said the board felt it could do better and as only one bid was received, they decided to advertise again for more bids and set another date for opening them.

A resolution was also passed by the board which will now allow teachers who are called to jury duty to receive their full pay, less the amount paid for jury duty.

The musical comedy "Oklahoma" will be presented at Wilmot High School Auditorium on March 29 and 30 at 8 p.m. Tickets are \$1.25 for adults and \$1.00 for students and children.

N-I Gas Raises Dividend For Tenth Time

Northern Illinois Gas Co. has raised its quarterly dividend rate on its common stock to 40 cents a share.

The action by the company directors marked the tenth straight year the N-I-Gas dividend has been raised. Marvin Chandler, N-I-Gas chairman and president, said that since 1958 (10 years ago) the utility's annual dividend rate has risen 171 per cent—from 59 cents per share to \$1.60. The new \$1.60 rate, he said is 5 per cent higher than the \$1.52 annual rate in effect since May 1, 1967. The quarterly dividend is payable May 1 to stockholders of record March 22.

N-I-Gas directors also declared the regular dividends of \$1.25 a share on the company's 5 per cent preferred and 5 per cent convertible preferred stocks; \$1.15 on its 4.60 per cent convertible preferred stock; and \$1.12 on its 4.48 per cent preferred stock, also payable May 1 to stockholders of record March 22.

Gas heat makes sense.
With a capital \$.

It figures. Based on a typical insulated home with a basement, gas heat will save you \$98 a year over oil heat. \$98 a year over hand-fired coal heat. And \$279 a year over electric (resistance) heat.

Cost will vary from home to home. But the ratio of savings you'll enjoy stays about the same.

The sooner you convert to gas, the sooner you'll begin to save. Northern Illinois Gas Company will finance your conversion through your local heating contractor. Clean, modern, dependable, economical gas heat.

The kind of heat that keeps your home comfortable without raising your temperature every time the bill comes along.

Legion Auxiliary

By Del Jahneke

The 10th District American Legion Auxiliary Board meeting will be held March 25th, at 8:00 p.m. at the Artesian Park Field House in Lake Bluff. Mrs. Ray Rathmann, District Treasurer, and Mrs. Edward Jahneke, District Communications-Publicity Chairman, plan to be in attendance.

A New Citizens Reception, co-sponsored by the 10th District American Legion and the Auxiliary, will be held at the Highland Park Legion Home March 26th, at 8:00 p.m.

The co-chairmen are Past District Commander Oliver Cronwell, Winthrop Harbor, and Mrs. Ted Odum, Libertyville, District Auxiliary Americanism Chairman.

Following the presentation of District Colors by the Gurnee Honor Guard, led by Captain Ed Jahneke, the invocation will be given by District Chaplain Emeritus Henry Hansen, Highland Park.

Mrs. Oscar Levander, Waukegan, Woman's Relief Corps, (WRC) will lead the audience in singing the national anthem. Addresses of welcome will be given by the District Director, Mrs. William Schultz, North Chicago, and the District Commander Thomas Rizzo of Lake Zurich.

Mrs. Edna Brooks, WRC, will read a manuscript entitled "The Flag Speaks." The guest speaker will be Mrs. Adeline Geo-Karis of Zion, an attorney-at-law. Among her many achievements, Mrs. Geo-Karis has been a Commander in the U. S. Naval Reserves since World War II; a former assistant state's attorney; and a past commander of the Lake County Women's Post, American Legion. Her talk will be about various phases of "Americanism."

"I Am the Flag," a reading will be recited by Mrs. Louis Thompson, Waukegan Legion Auxiliary. Mrs. Leonard Eichler, Highland Park, will render a piano solo.

The Lake County Circuit Court Clerk, Mrs. Stephanie Sulthinn, will give the naturalization papers to approximately 48 new citizens. New citizens in this vicinity are: Lindenhurst, Mr. Harold Bailey, Mrs. Ann Teresa Bailey, and Lake Villa, Mr. Horst Walter Rodde, and Mrs. Barbara Rodde.

The Gurnee "Juniors" have fashioned corsages and boutonnieres for the new citizens. Other presentations will be made by Mrs. K. T. Deltler, North Shore Chapter, D.A.R.; Miss Ruth Coulson, Waukegan Chapter, D.A.R.; Mrs. Eleanor Stutzman, N.D.G.A.R. (National Daughters of the Grand Army of the Republic); Mrs. Alice O'Dell, World War I Veteran's Auxiliary; and Mrs. Ross Merritt, Waukegan Legion Auxiliary.

The singing of "America," the Benediction, and the Retirement of Colors will close this event for an expected 250 people. Mrs. Ray Suzzi, Highland, is the pianist for the evening.

Refreshments will be served by the Deerfield, Grayslake, Highland Park, Highland, Lake Bluff, Lake Forest and Round Lake Legion Auxiliaries.

Mrs. Lester Zitkus, Antioch unit Americanism chairman, states that there will be a good representation of Antioch unit members present at this ceremony.

All Legion Posts and Units, other participating organizations are asked to bring their flags to the Highland Park American Legion Home at 7:30 p.m. so that they may be posted before the meeting.

Pat and George Sterbenz of Loon Lake cut cake at 25th wedding anniversary surprise party held in their honor recently.

George & Pat Sterbenz Take Anniversary Trip To S.A.

A surprise 25th wedding anniversary party was given by Mr. and Mrs. Nick Teister in their Northbrook home recently for George and Pat Sterbenz of Loon Lake. Relatives and close friends were on hand to help make the occasion a happy one.

Following the celebration, the couple flew to Colombia, South America. They visited all the places of interest, but found that the people of Colombia (also those in Panama) were not very friendly toward the Americans. Colombia did not have much industry and the people were either very, very rich or very, very poor—no middle class.

From Colombia the Sterbenzs flew to the Island of San Andres, just off the coast of Nicaragua in the Southern Caribbean. The island is seven miles long and one and one-half miles wide and is owned by Colombia. Pat said: "It is an off-beat island, developed for vacationing people from Colombia. The climate here was ideal—85 to 90 degrees at all times."

College News

Dean's list for the 11 undergraduate academic colleges of the University of Illinois at Urbana for the 1967-68 fall semester were announced recently by Director Richard R. Marsh of the University Honors programs.

To be eligible for the Dean's List a student must be registered full time in the University and achieve a grade average of 4.0 or higher. (A equals 5, B equals 4).

Antioch area students who are on the Dean's List are: Bruce R. Dalgaard, James F. Edwards, Norbert F. Wolter, of Antioch; Joseph David Shirk and Linda Lee Recklein of Lake Villa and Tom Michael Randall and Stanley E. Sutherland of Lindenhurst.

Douglas B. Hanson of Lindenhurst has made the Dean's List at The Loop College, 64 E. Lake St., Chicago, a branch of the Chicago City College.

On the list are students who have achieved the academic distinction of a B plus average as full time students.

Carol Ann Walter, daughter of Bernard Walter of Lake Villa, was one of 90 students participating in a three day learning experience which started March 11 at Northern Illinois University's Lorado Taft Field Campus, Oregon.

Jerry M. Whitson, a 1967 graduate of Antioch Community High School has been awarded a varsity letter in basketball for 1967-68, at Swarthmore College, Swarthmore, Pa.

MADISON — Lynne D. Horne, Rt. 1, Antioch, Ill., was awarded the Bachelor of Science degree by the University of Wisconsin at Madison as the first semester of the University's 1967-68 school year closed recently.

John Anderson, 68 S. Highland Ave., Antioch, a senior in elementary education at Illinois State University, Normal, has been named to the Dean's List.

1,059 students have been named to this list which topped the thousand mark for the first time. Students qualifying for the Dean's List must have no grade lower than B with a minimum of 12 semester hours of class work.

Grass Lake PTA To Have Dance & Card Party

Precision calisthenics, exercise drills, "skin the cat" and many other gym demonstrations were performed by a highly trained group of 5th, 6th, 7th and 8th Graders for the Grass Lake PTA members. Monday night. The grade and skill of the group surprised the parents. The demonstration was arranged and conducted by Sup't. John Schockmel, who is also P.E. instructor.

Grass Lake parents were invited to attend the Antioch High School Board meeting on Wednesday evening where they could be better informed regarding the coming bond issue election on March 23.

Second and Third grade classes of Grass Lake School went to the Shrine Circus in Chicago by bus Wednesday afternoon. Tickets were provided by Bill Belz and

Norman Christiansen.

The nominating committee has not been successful as yet in obtaining a full slate of officers, and Bruce Warswick, chairman, would like to hear from any PTA member who is desirous of serving as an officer. Election is scheduled for the April meeting which will be on April 22, instead of April 15, due to the school being closed on the 15th.

A social party is being planned for Saturday, April 20 at the school gym and there will be cards and dancing.

May 20th will be the Teacher Appreciation Banquet. It will be for husbands and wives and will begin at 6:30 p.m. Lou Belz, with the help of the 7th graders will cook and serve the dinner, and all proceeds will go to the 7th grade class fund.

Sunday, March 10, the Antioch Assembly, No. 23 Order of the Rainbow for Girls had a smorgasbord dinner, after which they held their official visit of Sister Mary Oetken, Grand Worthy Advisor in Illinois.

Judi Wells, worthy advisor, presided over the meeting. Other guests in the east besides Sister Mary were Mrs. Hester Kolmer, supreme Deputy in Illinois, and Wendy Lindblad, grand representative of Louisiana in Illinois.

Sister Mary participated in a skit which took her around the world in Rainbow. Her first stop was Toronto, Canada, where Supreme Assembly will be held this summer, July 22 through 27. From there she visited Rainbow in Puerto Rico, Panama Canal Zone, France, Germany, Japan, Australia, The Philippines, Okinawa, and Guam. She was presented with an honorary membership in Antioch Assembly, a personal gift for her hope chest, and a check for her charity fund, which is scholarships for nurses.

Sister Mary appointed Patti Wimbis and Kathy Mallory to be members of the Grand Choir this summer at Grand Assembly July 4th, 5th and 6th at the Conrad Hilton in Chicago. She also appointed Judi Wells, mistress of ceremonies for the worthy advisors' and past worthy advisors' luncheon at Grand Assembly.

At a regular meeting on Monday, March 11, the officers initiated

Edlith Bruski To Go To N.C.E.

Miss Edlith Bruski, daughter of Mr. and Mrs. James Bruski, Rte. 2, Antioch, has been accepted for admission to National College of Education, Evanston-Wilmette, Illinois, for the term beginning September 24, 1968.

National College of Education is offering a new curriculum on a "new" campus, with doubled building space. In the liberal arts curriculum leading to the bachelor of arts degree majors are available in seven subject-matter fields. The professional sequence in elementary education continues the superior program of preparation for elementary teachers for which National College has been noted since 1886. The College awards the master of education degree in the Graduate School.

Page To Discuss U.S. & Russian School Systems

Harry L. Page is expected to shoot down popular misconceptions about the relative merits of Russian and American educational systems when he appears at Spring Grove on March 27.

Assistant state superintendent of public instruction in charge of the division of community-school public relations and personnel, Page recently participated along with other nationally known educators in a seminar program conducted in the Soviet Union and several other "iron curtain" countries.

Page's appearance, expected to draw a heavy attendance from both McHenry and Lake counties, is part of a continuing lecture series sponsored by the Spring Grove Parent-Teachers association.

Spring Grove Superintendent Albert J. Palucci said, "We are honored to have the assistant state superintendent appear at Spring Grove. We know that his analysis of the American educational system as compared with those behind the 'iron curtain' and western European systems will have widespread interest, and everyone is invited."

Spring Grove is located seven miles north of McHenry along U. S. Route 12 between Fox Lake and Richmond.

Salem Central News

The Salem Central's Science Fair is over and the following were first place winners:

Jerry Soer, "Effects of Light and Other Factors on Plants"; Pat Wieseneth, "Egg Production and Its Deformities"; Mark Swarstad, "Model Rocketry Adventure"; Jim Michaels, "Electronic Color Matches"; Mike Williams, "Sap Rise Phenomena"; Ronald Thums, "Interference Theory of Forgetting Biology"; Pam Verzal, "NMR"; Kerry Shannon, "Conductivity in Ionic Substances"; Dean Antles, "Linear Programming".

Second place awards were given to George Swarstad, Rose Kasten, Raymond Horan, David Krogh, Arthur Moeller, Tom Hartnell, Jerome Seltz, Debbie Price, and Kathy Kofoed.

Third place awards were given to Jean Kernen, Janet Klemko, Gary Gillmore, John Westman, Mary Kral, Gail Johnson, Judy Keller, and Jim Grumbeck.

A 1st place Science Club Award was given to Ronald Thums for his entry "Interference Theory of Forgetting"; 2nd place to Janet Klemko for "Evolution" and 3rd place to Mary Razor for "Biosynthesis of Steroid Hormones".

Dean Antles won first place for "Linear Programming" in the Math Club Exhibits; Kathy Kofoed won 2nd place and Tom Hartnell third place.

Science Club freshman awards went to Raymond Horan, first place, for "Sacrificial Anode"; Gary Gillmore, 2nd place and Rita Krahn 3rd place.

Judy Freitag, a senior, has been chosen as one of three Wisconsin Future Homemakers of America members, along with State FHA Officers, to attend a two day-meeting March 24 and 25 at Madison for the purpose of evaluating Wisconsin State Homemaker Degrees.

Judy has participated in local and district demonstration programs and was a candidate for State Office, attended State FHA Convention at Green Lake, Wis., was a member of the State FHA chorus and received her Junior and Chapter FHA Degrees in 1965 and 1966 and earned the State Homemaker Degree in 1967.

Mrs. Donna Cowan, adviser, will attend the meeting with Judy.

Mrs. Helen S. Jones recently celebrated her 100th birthday. Her comment upon receiving a birthday card from Lyndon B. Johnson is really refreshing in this age of highly developed communications system. Mrs. Jones looked at the card's signature and asked, "Who's that?"

Lake Villa Board Meets

The abandoned and partially completed "green motel" on Rt. 83 and Grand Avenue is still a matter of concern to the Lake Villa Village Board. Discussion at the board meeting followed about this "safety hazard". The matter was tabled for further discussion.

The board hired Charlotte Wagner on March 6 at \$1.75 per hour to do clerical work for Mrs. Iris Dorner. Mrs. Dorner-resigned as village clerk, but is handling official village business, payroll and minutes of meetings until another full-time clerk is hired.

The board hired the Schneider Trucking firm of Lake Villa to clean sludge and debris from the sewer plant site.

A \$3000 payment to contractor John Moselli was approved. Moselli headed the job of installing the plant, but the board withheld \$2,000 of the job as payment for Schneider.

Approval was given for Lake Cook Farm Supplies to install a gasoline pump at the village garage.

The board granted a liquor license to the Lake Villa VFW Club.

Mayor Cremin recommended and the board approved the appointments of Gordon Chase Milson and Oliver Walker to two vacant positions on the zoning board.

5 Teachers Sign Contracts At G.L.

The Grass Lake School Board held their regular meeting on Tuesday evening, March 12.

A report was given that the final payment of the 1966 taxes was received in the amount of \$113,000.

Three petitions for vacancies on the school board have been filed for three year terms: Lawrence Yopp, Mrs. Lorraine Cerk and Gary Vaughn.

The following teachers were accepted by the board for the 1968-1969 school year: Bruce Warwick, Earl Brumbaugh, Mrs. Margaret Walsh, Mrs. Mary Ann Sams and Patrick Raymond.

The board authorized Supt. John Schockmel to get prices on black topping for the sidewalk area in front of the school and for shelving in the library.

The board also authorized April 15 and May 31 as special school holidays. These will coincide with the neighboring elementary and high school calendars.

The Boy Scouts were granted permission to use the building for a pancake breakfast late in April.

Tax Refunds Waiting For Taxpayers

More than 385 million dollars in refunds will be returned to Chicago District taxpayers during this filing period. As of this time, a total of 200 million dollars is waiting to be claimed.

Taxpayers would be doing themselves a favor by not delaying their filing any longer.

On the present schedule at our Kansas City service center, returns are being processed and made ready for check mailing within five weeks from the time the return is filed.

During the expected last-minute rush issuance of refund checks could take from 8 to 12 weeks. Since last minute filers are prone to make careless errors in preparing returns, the issuance of refunds could be further delayed.

Best service can be provided now during this relatively slow period.

Register Now For ACT Examination

College orientation sessions have been conducted at the high school for Juniors. Most Juniors who plan to begin college in September, 1968, should register to take the ACT examination on May 11, 1968. By taking the test on this date and entering Code 1947 on the answer sheet when taking the examination, Juniors

will receive a \$10.00 scholarship from the American College Testing Program.

The board authorized Supt. John Schockmel to get prices on black topping for the sidewalk area in front of the school and for shelving in the library.

The board also authorized April 15 and May 31 as special school holidays. These will coincide with the neighboring elementary and high school calendars.

Public Invited To Montessori Program

The Montessori School of Libertyville invites the public to a slide and lecture program on Sunday, March 24th at Highland

are entered in the Illinois State Scholarship competition. Deadline date for registering for this test is April 10, that is, the registration must be received in Iowa by that date. Juniors are encouraged to see their counselors at the high school and register for this examination.

Veterans who are G. I. insurance policyholders should not forget to change the beneficiary of their insurance when they get married, re-married or become parents, according to the Veterans Administration.

School Auditorium, Rockland Road, Libertyville. Doris Stevens, head directress at the Libertyville school, will talk about the slides and the work the children are doing. The slides were taken during actual work sessions with the children and give a more informed idea concerning children and how they function in a Montessori School.

The Montessori Method operates on the belief that children of pre-school age experience critical periods in which they learn more easily than at any other age. The child then comes to approach learning with confidence because his first experience with it is of a positive nature. The method encourages the child to think creatively and become sensitively aware of himself and his environment.

The program will begin at 2:30 p.m. and will allow ample time for discussion afterwards.

TOWNSHIP OF ANTIOCH REPORT OF EXAMINATION For The Year Ended January 31, 1968

NORMAN S. JEDELE
CERTIFIED PUBLIC ACCOUNTANT
Antioch, Illinois

February 28, 1968

Mr. L. E. Murrle, Supervisor
Township of Antioch
Antioch, Illinois

We have examined the balance sheets (arising from cash transactions) of the various funds of the TOWNSHIP OF ANTIOCH at January 31, 1968 and the related statements of cash receipts and disbursements for the year then ended. Our examination included the General Fund, Poor Fund, Road and Bridge Fund, Black Top Road Improvement Fund, Special Fund - Lagoona Subdivision and was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary.

Accounting records of the Township are maintained on the cash basis and consequently do not reflect, as income, taxes levied but not yet received or expenses incurred but not yet paid. However, our examination has disclosed no unusual items of either income or expense not reflected on the Township books.

In our opinion, the attached statements for the funds of the TOWNSHIP OF ANTIOCH listed above present fairly the financial position at January 31, 1968 and the cash receipts and disbursements for the year then ended in accordance with generally accepted accounting principles for municipalities applied on a cash basis consistent with that of the preceding year.

Yours very truly,

Only modern electric heat is as clean as the sun

Electric heat is unlike any other type of home heating. It's flameless—it burns no fuel, and it keeps your whole house cleaner, more comfortable. And because an electrically-heated home stays clean longer, wall washing and redecorating are kept to a minimum.

With electric heat, you can pick the type of heat you want. There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system may be used separately, or several may be teamed together.

If you're planning a new home or thinking of converting your present heating system, check into electric heat. You'll find that it's the most modern, convenient type of home heat today. And it's clean.

For more information about electric heating, call our nearest office.

Tippy Dye To Speak At Lions Athletic Dinner

Monday, March 25 is the date of the Annual Lions Club Athletic Banquet to be held at the Antioch Community High School cafeteria at 7 p.m. Senior, junior and sophomore athletes may invite their Dad or an adult guest to share in the program.

Speaker for the evening will be Tippy Dye, Director of Athletics, Northwestern University.

As director of athletics at the University of Nebraska for the past five years, Dye played a prominent role in revitalizing the Cornhuskers' Athletic fortunes. During his tenure, the Cornhuskers appeared in four bowl games and won the Big 8 football championship five times.

Football wasn't the only sport that profited under Dye's leadership at Nebraska. The basketball team developed into a title contender and in 1966 the Cornhuskers were second in all-sports competition in the Big Eight. Prior to going to Nebraska, Dye

Tippy Dye

served as athletic director at Wichita University for three years.

He served a nine-year tenure as basketball coach at the University of Washington from 1951

to 1960 where his teams won six Pacific Coast northern division titles and two Pacific Coast titles. In 1961, Washington won the West BCAA Regional title.

Dye, a native of Pomeroy, O., attended Ohio State University where he graduated in 1937 following a brilliant athletic career in which he starred in three sports. He earned All-American honors in basketball and All-Big-Ten honors as a quarterback in football. He also was an infielder on the baseball team. He was a member of the East-West Shrine team the College All-Star team.

Dye has served as a member of the National Basketball Rules Committee, the National Basketball Coaches Press Relations Committee and the Ethics All-American Research Committee. He was a member of the NCAA Olympic Basketball Committee and served as team manager for the 1959 Pan American Games.

He is married and the father of two children, Stephanie and Tippy, Jr.

Director Says You Must Register Boats

William T. Lodge, director of the Illinois Department of Conservation, today reminded sailboat operators that they must register their boats if they are over 12 feet in length.

"A section of our boating code passed by the 75th General Assembly requires that any sailboat over 12 feet long must be registered with our Boating Section and must display the proper registration number on the bow," Lodge said. "Our officers have been instructed to issue citations to anyone who violates this section."

Applications for registration may be obtained from marine dealers, county conservation officers, the Springfield office of the Department of Conservation, Room 106 State Office Bldg., or the Chicago office of the department, 160 N. La Salle St.

IRA Meets Sun. At Lake Villa

Sunday, March 24, the Interstate Racing association will hold a meeting at the VFW hall in Lake Villa. Late model stock car owners and drivers will be meeting with the modified owners and drivers.

Both groups will start competition at the Kenosha County Speedway in Wilmet on Saturday, May 18.

The opening date of the modifieds at the Wanakena Speedway will be Sunday night, April 21.

Faculty Beats 8th Graders In Close One At AGS Benefit

The big basketball benefit at Antioch Grade School Saturday night was very successful — both as to number of tickets sold and excitement offered at the games.

The Antioch 8th graders had no difficulty in beating the Oakland 6th graders in the preliminary game 52-15.

Faculty vs. the 8th graders of Antioch and Oakland was quite another story.

The game was a toss-up from beginning to end. At the half way mark the Faculty and 8th graders were tied 24-24. They were also tied at the end of the third quarter.

The faculty started rebounding in the 4th quarter, throwing long passes to Romaine and Elsen for easy baskets, and the game finally ended with the faculty winning 64-63.

Faculty team members were: Walter Soderman, Gene Shea, Sigurd Nielsen, Bob Elsen, Harold Romaine, George Twardy, Herbie Rose, Harlan Ware, and Pat Fitzgerald.

Antioch 8th graders on the team were Doug Camp, Bob Beevar, Rick Simon, Bill Burns, Rick Plotz, Ken Coarl, and Dwayne Englehardt. Oakland 8th grade players were Rick Weiss, Doug Stalling, Mike Narroth, Lee Bolton, Bill McConahay and Dave Koppa.

The basketball season is over, and Antioch completed the year with an 8-7 record. High point of the year was winning the Gavin Invitational tournament. Top scorers for the year were Doug Camp, Rick Simon, Bill Burns, Ken Coarl, Dwayne Englehardt and Rick Plotz.

Pre-Easter Shoots For McHenry Club

By Harry H. Stern

The McHenry Sportsmen's Club has scheduled a pair of pre-Easter shoots, as a lead-in to the Spring shooting season.

The first of the twin bill is a Steak Shoot, and will come off Sunday, March 24. Prizes for the winners include tender young chickens, JoPat home-cured slab bacon and tender aged steaks.

The second half of the bill, set for Sunday, March 31, is a Ham Shoot.

Delectable smoked hams will be the major prize sought after by the gunners, just in time for the upcoming holiday dinner.

Steaks and fryers will be included in the prize bill of fare, plus shooting components.

Both shoots start at 11 a.m. and continue until dark.

The club will inaugurate a new type of shoot for blunder-bussers who like to win the hard way.

Shooters may shoot 5 pair of Doubles for prizes instead of the usual ten singles. Trap number 5 has been set aside for the exclusive use of the doubles shooters. The scoring is the same as in regular events. In this contest the trap throws two targets simultaneously, and the contestants try to bag them both.

Shells and hot refreshments will be available all day in the warm club house, where spectators may spectate while the smooth-bore bangers go to it.

The McHenry trap range is on the west side of Pistakee Bay. President Wallace Manz, Fox Lake, announced the April business meeting will be held on Thursday 4th at 8:30 p.m. Members will shoot trap before the meeting, under lights.

In line with the club's policy of observing major religious holidays, the trap range will be closed on Easter Sunday.

Harry Stern Returns With Fla. Fish Stories

After five weeks of angling in the deep South, and 4257 miles of driving, Harry Stern and wife Hilda are back once more on Indian Point, and glad to be home again.

They visited friends and also their daughter and grandchildren in Orlando, Florida.

Harry did some trap shooting at Orlando Gun Club and did a lot of fishing in practically all of the fresh water lakes in Central Florida. He caught a lot of big

crappies and bass. Some of the crappies ran to two pounds. Down South crappies are called "Specks."

"I tried coastal fishing," Harry remarked, "but the water was too cold. Saltwater fish are more sensitive to cold than the fresh water fish. One of the funniest sights we saw were some local fishermen who were fishing in the St. Johns River near Deland. Temperatures were about 62 degrees, and we wore short sleeves. These fellows were bundled up in outfits like we wear when we go ice fishing." Harry continued:

"Hilda and I did a good job of sampling the food in the many restaurants. Buffets or smorgasbords are very popular. En route home, we visited Charleston, Columbia and Spartanburg, South Carolina, and on to Charlotte and Asheville, North Carolina. We had 6" of snow in Charlotte, so didn't stay long as the weather forecast was for freezing rain and snow."

Harry went on—"I received my Antioch News O.K. on the trip, and enjoyed keeping up with the home town doings."

Would he want to live in Florida? "No," says Harry. "The Carolinas intrigued me and I'd like to go back there again—and really look them over. Florida is getting too crowded."

In the meantime he's ready to jump into the saddle again for his many interests—Northern Illinois Conservation Club, McHenry Sportsman's Club and the Antioch Township Republican Men's Club.

"Car insurance due? I'll get you the best car insurance value from the world's largest car insurance company. Let's talk!"

ANNOUNCEMENTS

THANKS

TODAY is a day of thanks, thankfulness to our God, to our Holy Father Paul VI, who graciously extended to me the privilege of imparting his Papal Blessing; to his Eminence John Cardinal Cody, to our beloved Father Henderson, Father McGovern, Altan Boys, Mrs. Kisel, Frank Nil, Canadian, John Horan and all the armed forces that were present at my 50th celebration; to Shirley Gutowski and members of the Altar and Rosary Society, the Franciscan Clerics, St. Peter's Choir, Mrs. Pachay, organist; soloists, Dr. Abderhalden, Mayor Ray Toft and all "Minute Men" and the very Reverend Fathers and Ministers. Appreciation to Thomas Falt who designed the beautiful banners that graced the altars, Eileen Shaid of Chicago, guest soloist, and all the wonderful people who attended the celebration.

I wish to pay tribute to Gerald Horton and his proud family and extend my blessing on his coming ordination.

Thanks and God's Blessings to everyone who attended.

Father Joseph Savage

THANK YOU, THANK YOU to Mayor Ray Toft, Frank Benes, Al Nelson, Carl Cascio, the State Bank of Antioch, Antioch Grade School, Antioch Savings and Loan, Merry-Go-Round Bakery, Strang Funeral Home, the Ladies of St. Peter's Church and everyone else who helped me to make the party for Father Savage the huge success it was. Gratefully, Shirley Gutowski, Pres. of St. Peter's Altar and Rosary Society

IN MEMORIAM
In memory of our Dad, Clarence Cunningham, who passed away nine years ago March 25th, 1959. Peacefully sleeping, resting at last.

The world's weary troubles and trials are past.
In silence he suffered
In patience he bore
Till God called him home
To suffer no more.
Sadly missed by wife and children and all who loved him.

MONTGOMERY WARD IS LOOKING FOR SALES AGENTS

How would you like to start your own business... and open the doors with a trusted 95-year reputation the very first day? Now you can! Here's a unique opportunity for you to become your own boss in a bold new business... a business that offers virtually risk free income from a remarkably small capital investment of only \$3500 in operating capital.

Montgomery Ward is looking for Sales Agents. If you're a stable, ambitious man... or a husband-wife team, with an urge to break out on your own in a catalog store, we're looking for you.

We've developed a unique program requiring a very small initial investment in which all the agent immediately supplies is the location—leased or owned—plus a portion of the expenses and his ability and strong desire to sell!

We make available everything from store fixtures and display material to free management training and plenty of encouragement. We want you to succeed. You'll retain a favorable percentage of the profits, so the size of your earnings is determined by your ability to run an efficient business.

If you're interested, we're interested in you! Write today to arrange a personal interview. Please send personal qualifications, and recent photo.

Local Holsteins

we care

what's in a name?

Our full name is "The Great Atlantic & Pacific Tea Company." But, to most, we're "A&P" for short.

And some friends like to call us "The Tea Company."

Why? Well, in 1859, when A&P began, our first product was tea. We bought full shiploads from the Orient and sold it at great savings to the public.

You learn a lot about tea in more than 100 years.

Today, you can savor the results of all that experience by tasting one of A&P's fine tea products: Our Own Tea Bags, for example.

Each bag contains up to 15 of the world's finest teas, from as many as 5 different countries. It can take that many to develop our distinct blend.

So now you know why, by some, we're called "The Tea Company."

If you'd like to know why we're called "Great," shop A&P this week.
